

Message from our MANAGING DIRECTOR

At NIKOSI EXPORTS, our journey is guided by excellence, trust, and growth that creates lasting value. From India's fertile lands to global markets, we are committed to delivering agro and food products that embody quality, innovation, and reliability.

Our flagship VALAREE brand stands as a symbol of purity, authenticity, and world-class standards—representing not just coconuts, but our promise to connect nature's best with people everywhere. Through VALAREE and our diversified portfolio, we are shaping an ecosystem that benefits farmers, business partners, and communities alike.

We believe our employees are the true strength behind every success, and with their passion and dedication, NIKOSI continues to build enduring partnerships and expand into new horizons. Our mission is to empower, inspire, and create opportunities that drive sustainable progress for all.

As we move forward, our vision is clear: to make NIKOSI EXPORTS and VALAREE global names of trust and excellence, admired not only for business success but also for positive impact on society. Together—with our partners, our customers, and our team—we are ready to achieve extraordinary milestones and shape a brighter future.

Thank you for your Trust and Partnership

Mr. V. Sivaa

ABOUT US

NIKOSI EXPORTS is a global agro and food enterprise built on the foundation of trust, innovation, and excellence. Headquartered in India, with strong operations across the UAE, KSA, USA, and UK, we serve as a vital bridge between India's agricultural abundance and the world's growing demand for high-quality food products.

Through our flagship brand VALAREE, we deliver premium semi husked coconuts and a wide range of agro commodities, recognized worldwide for their authenticity, purity, and consistent quality. Valaree is more than a brand—it is our commitment to uphold world-class standards, connect farmers to global markets, and enrich lives with nature's best.

To strengthen our global footprint, we operate as NURAGRO FZE, our UAE-based group company and international sales arm. NURAGRO enables us to serve clients across the Middle East, Europe, and North America with seamless trade systems, compliance excellence, and customer-centric solutions. This integrated model ensures smooth coordination between sourcing in India and worldwide delivery, making NIKOSI EXPORTS a reliable partner in global trade.

Our diversified portfolio includes fresh produce, spices, poultry, and food essentials, managed with precision through advanced packhouse operations, strict quality control, and traceability systems. We collaborate closely with farmers, suppliers, and international clients to build a sustainable ecosystem where every stakeholder grows together.

OUR VISION

Our commitment to dedicated professionalism makes us the preferred trading company for customers, principals, and investors. This dedication attracts the best business opportunities and ensures long lasting partnerships.

We continuously strive to uphold the highest standards of integrity, transparency, and in every transaction. By fostering a culture of trust and accountability, we build strong relationships that drive mutual success and sustainable growth.

OUR MISSION

At NIKOSI EXPORTS, our mission is to create a world where trade is built on trust, partnerships are built on purpose, and growth is shared by all. We are committed to delivering products that carry authenticity, quality, and care-values represented by our flagship VALAREE brand and strengthened by our global arm NURAGRO FZE.

We believe success comes from empowering farmers, inspiring employees, and enabling our partners to thrive. By combining innovation with responsibility, we strive to build a sustainable ecosystem where business excellence contributes to prosperity for communities and society at large.
